INTRODUCTORY.

THE publication of a Roster of the Soldiers of Ohio in the War of the Rebellion was authorized by the following resolution, offered by Mr. VAN CLEAF, and adopted by the Legislature, almost without opposition, on May 15, 1884:

Resolved by the General Assembly of the State of Ohio, That the Governor, Secretary of State and Adjutant-General be and they are hereby authorized to secure the publication, in book form, of the complete Roster of all the Regiments, or parts of Regiments, furnished by Ohio, in the War with Mexico, and in the War of the Rebellion; said publication to contain the main items of the record of each officer and soldier, so far as the same is attainable, from the rolls now in the Adjutant-General's Office, and in the War Department at Washington. And they shall begin said work as soon as practicable, and continue the same until the said printed Roster is complete; the printing and binding to be under the direction of the Commissioners of Public Printing, and the publication, when completed, shall be under the control of the officials first named, for such disposal as the General Assembly may hereafter direct.

The records of the War with Mexico, and the three-months' troops in the War of the Rebellion, now in possession of the Adjutant-General of Ohio, are so incomplete, and the difficulty of securing the missing rolls from the War Department at Washington so great, that it was thought best to postpone preparing a Roster of those troops until later, and work was commenced at once in preparing a record of the three-years' troops. The first volume, known as "Volume II."—Regiments 1 to 20, inclusive—was issued October 15, 1886; the second volume, known as "Volume III."—Regiments 21 to 36, inclusive—January 15, 1887; the third volume, known as "Volume IV."—Regiments 37 to 53, inclusive—August 15, 1887; the fourth volume, known as "Volume V."—Regiments 54 to 69, inclusive—October 15 1887; the fifth volume, known as "Volume VI."—Regiments 70 to 86, inclusive—February 1, 1888; the sixth volume, known as "Volume VII."—Regiments 87 to 108, inclusive—August 1, 1888, and the seventh volume, known as "Volume VIII."—Regiments 110 to 140, inclusive—December 1, 1888. Volume I., containing the records of the three-months' troops, will be the last volume issued.

Great care has been exercised to avoid errors in the preparation of this work, but should any be discovered, it is earnestly requested that information concerning them be promptly given to the Adjutant-General, that they may be corrected in the "Errata," which will appear in the last volume to be issued—to be known as "Volume I."

The Legislature, at its last session, passed on February 20, 1888, the following law (H. B. No. 67), to amend section two of an act entitled an act to provide for the publication and distribution of the Roster of Ohio Soldiers, passed May 12, 1886, and amended February 3, 1887, which reads as follows:

SECTION 1. *Be it enacted by the General Assembly of the State of Ohio,* That section two of the above-mentioned act be so amended as to read as follows:

SEC. 2. The distribution of said volumes shall be under the direction of the Adjutant-General, and shall be as follows:

To each Member of the Sixty-Seventh General Assembly, twenty copies of each volume, inclusive of copies already received, and each Member of the Sixty-Eighth General Assembly, twenty copies of each volume; but when any Member of the Sixty-Seventh General Assembly becomes a non-resident of the county, or district he represented, the said copies of each volume may be drawn by his successors.

To the Roster Commission, twenty-five copies of each volume.

To the Adjutant-General, for distribution to the Adjutant-General of each State and Territory, and proper officials of the War Department at Washington D. C., sixty copies of each volume.

To each of the State officers of Ohio, and to each of the various State departments and institutions, one copy of each volume.

To the State Library, fifty copies of each volume for exchanges, and ten copies of each volume to be retained permanently therein.

To each public library of an incorporated city or village of the State, one copy of each volume.

To each post of the Grand Army of the Republic, and to each command of the Union Veterans' Union, on condition that if the post, camp or command be disbanded at any time, the same shall be returned to the State Library, one copy of each volume; and to the Department of Ohio Grand Army of the Republic, and Loyal Legions, each one copy of each volume; and to each camp of the Sons of Veterans, on condition that if the camp be disbanded at any time, the same shall be returned to the State Library, one copy of each volume.

To each County Recorder, to be by him kept in his office and transferred to his successor as other public records, one copy of each volume.

To each Township Clerk, to be by him kept in his office and to be transferred to his successor, one copy of each volume.

To each Clerk in the Roster Department, one copy of each volume; *provided*, that any distribution herein provided for shall be inclusive of copies of volumes already distributed under former laws.

The remainder of said copies, after such distribution, shall be placed on sale by the Adjutant-General, at a price not exceeding one dollar per volume. He shall keep a record of such sales, and shall, at the end of each quarter of the fiscal year, pay into the State treasury the sum received, until all of said volumes are sold, unless otherwise directed by the General Assembly; *provided*, that he shall not sell more than one copy of each of said volumes to the same person.

SEC. 3. That section two of said act, passed May 12, 1886 (83 v. 146), as amended February 3, 1887, is hereby repealed.

SEC. 4. This act shall take effect and be in force from and after its passage.

Under provisions of law the Commissioners of Public Printing, together with the Adjutant-General, awarded the contract on May 25, 1888, for furnishing four volumes, 10,000 copies each, to the Ohio Valley Press, Cincinnati, O., at $84\frac{1}{2}$ cents per volume. Much credit is due this company for the handsome manner in which the work has been executed, both in printing and binding.

115th Regiment Ohio Volunteer Infantry.

THREE YEARS' SERVICE.

THIS Regiment was organized in the Counties of Portage, Stark, and Columbiana, in August and September, 1862, to serve three years. It was ordered to Cincinnati, O., and on the 9th of October was divided—five companies left at Cincinnati, where they acted as provost guard, and five companies sent to Columbus, O., to perform guard duty.

In October, 1862, the Battalion sent to Columbus was ordered to Maysville, Ky., and in December to Covington, where it performed provost duty until October, 1863. It was then ordered to report at Chattanooga, Tenn., and from there sent to Murfreesboro, where a part of the Regiment was mounted and sent out against Rebel Guerrillas. In June, 1864, that part of the Regiment not mounted was stationed on the line of the Nashville and Chattanooga Railroad, in block-houses, to prevent the Rebels from destroying it. While engaged in this service the Regiment had an engagement with Wheeler's forces at Lavergne, Tenn., August 31 and September 1, 1864. In the early part of December, 1864, nearly two hundred members of the Regiment, who were stationed in block-houses, were captured, and after being paroled were placed on the ill-fated Steamer Sultana, which exploded on the Mississippi River, near Memphis, Tenn., April 27, 1865. The Regiment was engaged in the battle of the Cedars, near Murfreesboro, Tenn., December 5, 6, and 7, 1864.

The detachment stationed at Cincinnati in 1862-63 was engaged in guarding prisoners and forwarding convalescent soldiers to their respective Regiments. In July, 1863, it was called out for five or six days in pursuit of General Morgan, then on his raid through Ohio. In October it was sent to the front, and was assigned to the Fourth Division, Twentieth Army Corps. The Regiment was mustered out of service June 22, 1865, in accordance with orders from the War Department.

THREE YEARS' SERVICE

THIS Regiment was organized at Columbus, Johnson's Island, and Camp Cleveland, Ohio, from December 7, 1861, to January 8, 1864, to serve three years. Companies A, B, C, and D, were originally known as Hoffman's Battalion, and were transferred to this Regiment January 5, 1864.

The One Hundred and Twenty-Eighth was principally engaged in guarding Rebel prisoners at Johnson's Island, Ohio, but had frequently furnished detachments for service elsewhere, including a short but active campaign in pursuit of Rebel troops in West Virginia in 1862.

The original members of Companies A and B were mustered out January 20, and February 28, 1865, by reason of expiration of term of service. The Regiment was mustered out July 13, 1865, in accordance with orders from the War Department.

129th Regiment Ohio Volunteer Infantry.

SIX MONTHS' SERVICE.

This Regiment was organized at Cleveland, O., August 10, 1863, to serve six months, and on the same day started for Camp Nelson, Ky. On the 20th of August the Regiment left Camp Nelson for Cumberland Gap, at which place it assisted in the capture of the Rebel garrison and more than two thousand Rebel prisoners, with a large amount of war materials of all kinds. The Regiment remained at and about the Gap, engaged in foraging, scouting, picket duty, etc., until the 1st of December, when it was ordered to move in the direction of Clinch River, which was reached the next day, at a point where the Knoxville road crosses that stream. At this point a sharp engagement was in progress, in which the Regiment took an active part. From the 2d to the last of December, the Regiment had occasional skirmishes with the enemy. It was mustered out from March 4 to 10, 1864.

130th Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Johnson's Island, O., from the 13th to the 31st of May, 1864, to serve one hundred days. It was composed of the First Regiment Ohio National Guard, from Lucas County, and the Seventy-fifth Battalion Ohio National Guard, from Fulton County. The Regiment left Toledo May 12, 1864, to report to Brigadier-General Hill, at Sandusky, for consolidation and muster-in. It moved to Johnson's Island, and was engaged in guarding Rebel prisoners. On the 4th of June the Regiment took the cars for Washington City. It remained there three days, and then embarked on the transport George Weems, and reported to General Butler, at Bermuda Hundred, from which place it was ordered to Point of Rocks. The time was occupied in drilling, digging rifle-pits, and picketing the lines, until the 21st of June, when it marched to Deep Bottom. On the 11th of August it marched to Bermuda Hundred, and proceeded, on transports, to Fort Powhatan, where it was ordered to be mustered out. It was mustered out at Toledo, O., Sept. 22, 1864, on expiration of term of service.

133d Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Chase, O., May 6, 1864, to serve one hundred days. It was composed of two companies of the Fifty-eight Battalion Ohio National Guard, from Hancock County, and two companies of the Seventy-sixth Battalion Ohio National Guard, from Franklin County, with the Third Ohio National Guard, from Franklin County. After muster-in, the Regiment was immediately ordered to Parkersburg, W. Va., where it arrived on the 8th of May, and from this place it was ordered to New Creek, from which place it proceeded to Washington City, June 7, and was ordered to Bermuda Hundred, where it arrived on June 12. On the 16th of June the First Division of the First Brigade, to which this Regiment was assigned, was ordered to destroy the Richmond and Petersburg Railroad. The One Hundred and Thirty-third was assigned to the support of a battery, which opened a canonade on the enemy, and, with other troops, succeeded in holding the Rebels in check for five hours. On the 17th of July the Regiment embarked at Point of Rocks and proceeded to Fort Powhatan. Here it was employed on work on the fortifications and in repairing telegraph lines. On the 10th of August the Regiment proceeded to Washington City, thence to Camp Chase, O., where it was mustered out August 20, 1864, on expiration of term of service.

135th Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Chase, O., May 11, 1864, to serve one hundred days. It was composed of the Fifth Ohio National Guard, from Licking County, and the Thirty-second Battalion, Ohio National Guard, from Hardin County. The Regiment started on the day of its organization for Cumberland, Md. It was soon ordered to Martinsburg, and the companies were distributed along the Baltimore & Ohio Railroad at Kearneysville, North Mountain, Van Clevesville, and Opequan Station, with headquarters at Martinsburg. The companies at North Mountain were surrounded by the enemy, and after about three hours of hard fighting were compelled to surrender. The Regiment encamped near Maryland Heights until the 6th day of July, when it moved to John Brown's School-house, at which place it was engaged in a skirmish. After this the Regiment was placed on the Heights, to guard the artillery, and remained on duty there until it was ordered to be mustered out. It arrived at Camp Chase, O., on the 28th day of August, and was mustered out September 1, 1864, on expiration of term of service.

138th Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

This Regiment was organized at Camp Dennison, O., May 15, 1864, to serve one hundred days. It was composed of the Fifth Ohio National Guard, from Licking County; Thirty-second Battalion, Ohio National Guard, from Hardin County, and one company of the Thirty-seventh Battalion, Ohio National Guard, from Lorain County. It proceeded at once, via Baltimore and Ohio Railroad, to Washington City, where it arrived on the 22d of May. It was placed in the defenses south of the Potomac, with headquarters at Fort Albany, and detachments at Forts Craig and Tillinghast. On the 15th of June the Regiment was ordered to White House Landing, where it was employed in picket duty and in guarding Rebel prisoners. On the 16th of June it was ordered to Bermuda Hundred, and proceeded on steamer to Fort Powhatan. The Regiment arrived at Fort Spring Hill, on the eastern bank of the Appomattox, opposite Point of Rocks, on the 19th of June, and was engaged in picket and fatigue duty at Point of Rocks and Broadway Landing. The Regiment next moved to Cherrystone Inlet, and companies distributed at various points to guard telegraph lines, and to intercept blockade-runners and Rebel mail-carriers. The Regiment returned to Ohio, and was mustered out September 1, 1864, on expiration of term of service.
